

Instrument Technician - Paper Mill

Willamette Falls Paper Company is accepting applications for full-time Instrument Technicians. We offer an innovative, technology-rich, lean organization built on a spirited history, well-regarded products and a loyal customer base.

Ideal candidates will help promote quality, teamwork, flexibility, open communication and continuous improvement. Our employees enjoy a collaborative workforce that rewards innovative thinking and personal accountability.

Summary of Key Requirements:

- Must possess or have the ability to immediately obtain an Oregon Limited Energy License or applicable higher-level electrical license.
- Must have a minimum of 5 years of industrial instrumentation experience, of which may include job related experience and instrumentation training.
- Must live within one hour of the mill for emergency and weekend coverage.

Job Duties

- Trouble shooting, repair and installation of instruments and controls for heavy industrial equipment.
- Control systems range from electronic and pneumatic field instrument and single loop controllers to PLC's and DCSs.
- Work schedule includes choice of four 10-hour, or five 8-hour days.
- Off hour and weekend coverage is required and shared amongst crew members.

Additional Details:

Our competitive benefits package includes Family Medical, Dental, Vision, company paid Life Insurance, Short and Long-Term Disability, 401K match, safety shoe reimbursement, on-site fitness facility, generous PTO and more.

Benefits begin the 1st of the following month in which you are hired and PTO starts accruing your first day of work!
