

NATUREweb

NATUREweb meets the demands of today's web printing processes without compromising ink coverage, ink gloss or brightness.

Recycled paper products can have a considerable impact on a company's environmental performance. The 10% to 30% PCW grades have the same specifications as our Sonoma® brand #3 sheet—allowing you the option to choose a recycled paper without sacrificing quality.

Specifications

Basis Weight/GSM	Brightness	Gloss	Opacity	Caliper	PPI(est.)
45#/67	86	70	87.5	2.20	910
50#/74	87	70	89.0	2.50	800
